WISHBONE PLUS MONITOR ARM hermanmiller.com/products/monitor-support

- A modern take on the original flat screen monitor support, suited for multi-screen environments.
- Supports heavier, larger-format displays weighing up to 52 pounds.
- Built-in fine height-adjustment feature to align adjacent monitors.
- Allows easy positioning of monitor in landscape or portrait orientation.
- Compatible with all standard Wishbone mounting elements.
- Provides 80-degree vertical tilt and 180-degree horizontal movement.
- Quick-release monitor attachment so screen can be removed in seconds; optional security feature available.
